TO THE MEN:

I am closing out my entire stock of Men's Clothing. I'll not handle any more Men's Suits after I close out what I have on hands. So you had better come and supply yourself with a suit and overcoat, as it is your last chance.

In taking Inventory I found where I am overstocked for the time of the year, therefore will place my entire stock of merchandise on sale at about ONE-THIRD and ONE-HALF OFF on some goods. Now, my stock consists mostly of goods which are good for all seasons of the year and as this is the first sale of the year 1922 and I do not expect to have any more sales for a long time, I advise you not to miss this After Inventory Sale. Rain or shine, SALE STARTS FRIDAY, JAN. 13th, and will continue until Saturday, Jan. 21st, positively not one hour later.

Now wread my price list and set a day aside and come to this sale as you may never again see much a money-saving sale. Bear in mind that I will not have any more sales any way soon. This is positive facts. NUF CED.
